

# QUALITY, HEALTH, SAFETY AND ENVIRONMENTAL POLICY

UEM Sunrise Berhad ("UEM Sunrise") is a property developer committed to providing its customers, employees, stakeholders and vendors with quality products and services in a safe and conducive workplace, while striving to minimise impact to the environment where it operates.

UEM Sunrise practices "**QHSE IS OUR RESPONSIBILITY AND CULTURE**" through the involvement of employees, stakeholders, and vendors.

As a visionary community builder, we will:

# C

Construct an effective QHSE Management System in compliance with legal, customers and other requirements.

# A

Apply the best practices in our QHSE Management System to achieve continuous improvement.

# R

Render QHSE Management System trainings and briefings to employees and vendors continuously to improve awareness and participation.

# E

Enrich our QHSE Management System to achieve customer satisfaction, prevention of injuries and damages to property and the environment.
